

## BRaMMS-Solo - 640/1000

- from 100 mW to 1000 mW output power at 640 nm SLM
- feedback locked Single Longitudinal Mode CW operation
- mode hops and lock loss free
- very low noise performance
- excellent beam quality from smallest footprint
- lowest power consumption for given output

*BRaMMS - Solo - 640/1000*
